## Saratoga Springs Proposition #4

Shall Saratoga Springs City, Utah (the “City”), Utah, be authorized to impose a .1% sales and use tax for the purpose of financing recreational, zoological, botanical, and cultural facilities within the City?

FOR THE LEVY OF THE TAX

AGAINST THE LEVY OF THE TAX

## Saratoga Springs Bond Election

Shall the City Council (the “City Council”) of Saratoga Springs, Utah (the “City”), be authorized to issue General Obligation Bonds in an amount not to exceed Seventy Million Dollars (\$70,000,000) (the “Bonds”) for the purpose of financing all or a portion of the costs of constructing and equipping recreational facilities of every kind allowed by Utah Code § 11-14-103(1)(b)(v) within the City, said Bonds to be due and payable in not to exceed twenty-five (25) years from the date of issuance of the Bonds?

Property Tax Cost of Bonds: If the Bonds are issued as planned (and without regard to the existing taxes currently paid for existing bonds that will reduce over time), a property tax sufficient to pay debt service on the Bonds will be required over a period of twenty-five (25) years in the estimated average amount of \$319.49 per year on a \$528,000 primary residence and in the estimated amount of \$580.90 per year on a business property having the same value.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the City Council may be required to levy to pay debt service on the Bonds. The City Council is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the City.

FOR THE ISSUANCE OF BONDS (YES)

AGAINST THE ISSUANCE OF BONDS (NO)
