A SIGNED COPY OF THIS PERMIT APPLICATION AND PERMIT PLACARD MUST BE AVAILABLE AT THE JOB SITE. This permit is not a grant of easement of other similar interest. Permittee shall acquire easements from affected fee owners as required.

* Construction drawings shall be drawn to scale and shall be of sufficient clarity to indicate the nature and extent of the work proposed. Construction drawings shall include (at a minimum) the general vicinity of the proposed site, property limits, accurate contours of existing ground, details of terrain and area drainage, limiting dimensions, elevations or finish contours, detailed plans of all surface and subsurface drainage devices, location of any buildings or structures on or adjacent (within 15 ft.) of the proposed site, and specific recommendations contained in the soils report that are applicable to the site.

** This Permit is not a substitute for a permit from the U.S. Army Corps of Engineers. It does not grant permission to disturb jurisdictional wetlands.
