# How it works:

Caregivers & Kids work together to set a reading goal for each week: it could be numbers of pages read, minutes read, books read - whatever works for you!

Every week from June 1 through the end of July, do your weekly reading goal, plus two activities - see lists below. Do an activity - or come up with your own idea! - from each section.

Paw prints are rewarded separately, so you can do all 3 each week, or just 1 or 2.

If you miss a week, you can catch up - but no jumping ahead!

When the weekly reading goal is reached, cross out the black paw print for that week: 

For each activity completed, cross off a white paw print for that week: 

Bring your tracking sheet to the library with any crossed-out paw prints to pick up rewards, and get your ticket to enter the weekly drawing!

## ACTIVITY IDEAS

- \* Read out loud
- \* Tell a joke
- \* Read to your stuffed animal or pet
- \* Play in the sand
- \* Eat something cold
- \* Skip somewhere
- \* Follow a recipe
- \* Read a book that features an animal
- \* Color with crayons
- \* Go for a walk
- \* Drink a glass of water
- \* Create a craft
- \* Sing the ABCs - then do it backwards!
- \* Play a board game
- \* Do a magic trick
- \* Watch a movie based on a book
- \* Dance
- \* Write a thank-you note
- \* Invent a game
- \* Do something nice for someone
- \* Make a marble maze
- \* Create music
- \* Do a science experiment
- \* Play I-Spy
- \* Read or watch something that begins with a letter in your name
- \* Eat a healthy breakfast
- \* Write a letter

## DEWEY DECIMAL ACTIVITY IDEAS

Choose a different Dewey Decimal section each week to explore. With a grown-up's help, create an activity that would interest you - or check out a few ideas we have to start you off!

- 000 - Facts:** Learn something new!
- 100 - Feelings:** Practice mindfulness.
- 200 - Mythology:** Find a favorite hero.
- 300 - Fairy Tales:** Read some, then write your own!
- 400 - Language:** Learn 10 words in a different language.
- 500 - Science:** Do a science experiment.
- 600 - Cookbooks:** Make a recipe (*with a grown-up's help, if needed*).
- 700 - Art:** Learn about different styles, then make your own picture.
- 800 - Poetry:** Read some, write some!
- 900 - History:** Find a fun place!
