

Throughout the city, you will notice markers installed on the storm drains.

This is a reminder to help keep our waterways clean.

Stormwater carries pollution into storm drains that lead to the Jordan River and Utah Lake.

- Never dump anything down storm drains.
- Use fertilizers and pesticides sparingly.
- Properly dispose of hazardous household chemicals.
- Check your car for leaks and recycle motor oil.
- Pick up after your pet.
- Properly dispose of litter and debris from driveways, sidewalks, and roads.
- For information about the disposal of these and other hazardous materials, please call the Storm Water Hotline at 801-851-7873.
